

KG2 Newsletter

Thursday 13th of Oct.

Language Arts

Next week we will cover:

- Phonics: h, r
- Sight words: and
- Main topic: Living/nonliving things, what are animals like

Heads up

- Oct. 31 Halloween

Math

This week in Math we will be wrapping up chapter 2, comparing numbers up to 5. We will then move forward to practicing writing and counting the number 6.

Be Creative :)

Science

Next week, we will be learning about living and nonliving things. We will also be focusing on the differences between animals such as their various sizes, colors, body parts, and body coverings.

Social Studies

Next week, the students will be learning about identifying problems and deciding on the best solutions for their problems.
